Get started with your studies!

To get started with your studies please follow these three steps. More information at hig.se/newstudent

- 1 Activate your computer account**

You can collect your computer account at hig.se/computeraccount two weeks before the semester starts. Your computer account consists of a username and a password and gives you access to the University web services.
- 2 Register for your courses**

You must be registered on the course to attend lectures and sit exams. You will lose your place on the course if you do not register in time. Please register for your course via the Student Portal: studentportal.hig.se

Period for self-registration: 30 October – 5 November

Problems with course registration? Please contact your faculty secretary (contact details below). Are you conditionally admitted? [This is what applies to you](#)
- 3 Log in to Blackboard**

The Blackboard platform is a web-based learning management system where you find your course material. Log in to Blackboard, go to lms.hig.se.

Course	Remote Sensing
Course code	SBA014
Application code	17314
Faculty	Faculty of Engineering & Sustainable Development
Faculty secretary	Patrik Möllhagen
Contact information to faculty secretary	026-64 81 66, Patrik.mollhagen@hig.se
Course coordinator	Markku Pyykönen
Contact details for course coordinator	026-64 82 74, markku.pyykonen@hig.se

Information about writing a welcome letter

The welcome letter should explain the implementation of the course (total number and extent of physical meetings, study location, rate of study, explanation of the teaching method in words as well as brief information about examinations and compulsory meetings). If the course is offered as some form of distance study course, it is particularly important to describe the implementation of the course as described above. See below for suggested headings.

Remember to delete the instructions above when you are finished with your welcome letter.

Course organisation

(Describe the organisation of the course. Course introduction, compulsory meetings, recorded lectures, seminars, etc. You can delete the text "Registration for written exams" below if your course does not include a written exam.)

Communication

(Describe how the course communication works; Adobe Connect, Blackboard, etc.)

Registration for written exams

Registration for exams, including retakes, via the Student Portal is mandatory. You can register no earlier than five weeks before and no later than ten days before the exam. Please note that registrations will not be accepted beyond this time frame. If you are a distance study student and are unable to sit the exam on campus you can apply to sit the exam at another location. Applications must be submitted no later than three weeks prior to the exam. Contact your faculty for more information.

Course evaluation

After completion of your course a web-based course evaluation questionnaire will be sent to your e-mail address. Your answers in the course evaluation are very valuable and your comments will help us improve and develop the course for the future. All students registered on the course will receive a course evaluation report with all answers compiled.

General information

Library

The library is located in the middle of the campus and is open to everybody. Welcome to the library to activate your entrance card as a library card. You can reach all digital resources such as e-books and e-journals after logging in with your computer account. You can read more about the library services at hig.se/biblioteket

Campus

A map of the campus area is available at hig.se/newstudent

HIG Card

This card works as an entrance card and gives you access to doors and computer rooms. The card also works as a library card as well as a copy card. You can get the card at the reception desk at the Student Centre.

The University of Gävle is human-centred and develops the understanding of a sustainable living environment.

IT Support

This is where you turn if you encounter any problems regarding your computer account or any other IT related problems. The IT support is open for visits 09.00-15.00 in building 22, Monday to Friday. You can also contact them by telephone +46 (0)26 64 88 00 or email itsupport@hig.se

Course syllabus and Reading List

Find your syllabus at hig.se/syllabuses

Course Timetable

Registered students at the University of Gävle can search for and save your course timetables in the Student Portal. If you are not registered, you may find course timetables through our online timetable search service at schema.hig.se

Student Accommodation

You need to apply for accommodation yourself. Please remember to do so in good time before your arrival. You can find information about how to apply for student accommodation at hig.se/newstudent

The Student Centre

At the Student Centre you will meet knowledgeable staff who can assist you in just about anything regarding your studies at the University of Gävle. The Student Centre is located in building 22. You can also find a café in the area and a TV display showing the daily timetabling. You can contact the Student Centre by email at studentcentrum@hig.se

Student support

Sometimes you need help to manage your studies and student life. At the University of Gävle we have several support functions to help you deal with various study-related situations, such as, for example, student health care and support for disabled students. For more information about student support at the University of Gävle, please visit hig.se/studiestod
