

GREEN PAGES

[GreenPages](#) is a Hong Kong based European company with the goal to present consumers with choices of products from companies that are not driven by mere profits, but by the demand for healthier products; companies that take their responsibilities to the Earth seriously. GreenPages provides a super clean and uncluttered interface offering consumers information on sustainable, environmentally friendly, organic and fair trade accredited products.

Looking for Marketing and Social Media Intern

As a Marketing and Social Media Intern, you would help the business owner on a variety of marketing tasks. You would help in building a marketing strategy and establish social media presence on different channels. Also, data research, updating content to the website and CRM database management would be part of the role. You would have a unique opportunity to work with the leading eco-friendly and fairtrade brands.

Expected from you:

- Strong English skills
- Interest to use social media as a marketing tool
- Quick learner with new softwares and apps
- Ability to work independently and get things done
-

This is a great opportunity to gain international experience and see how an online business is being built. You'll get hands-on work experience and responsibility, but also guidance and mentoring. Interest in sustainability and environmentally friendly products is an advantage.

The intern will be supported with a monthly allowance to cover transportation and meal costs. The internship should last 3 to 6 months and start in August/September 2018.

Interested? Send your CV to apply@internshipasia.net and include a brief message telling us why you are interested in this opportunity.

The internship will be done directly with GreenPages Limited. Internship Asia is supporting the recruitment process and will also help the chosen intern with practicalities when arriving in Hong Kong. All our services are FREE for students and interns.
