Get Started with Your Studies!

To get started with your studies please follow these three steps. More information at hig.se/newstudent

- 1 Collect Your Computer Account**

You can collect your computer account at hig.se/computeraccount two weeks before the semester starts. Your computer account consists of a username and a password and gives you access to the University web services.
- 2 Register for your courses**

You must be registered on the course to attend lectures and sit exams. You will lose your place on the course if you do not register in time. Please register for your course via the Student Portal: studentportal.hig.se

Period for self-registration: 2017-10-30 – 2017-11-05

Problems with course registration? Please contact your faculty secretary (contact details below). Are you conditionally admitted? [This is what applies to you](#)
- 3 Log in to Blackboard**

The Blackboard platform is a web-based learning management system where you find your course material. Log in to Blackboard, go to lms.hig.se

Course	Advanced Digital Control Systems 7,5 credits
Course code	EEA303
Application Code	18317
Faculty	Faculty of Engineering and Sustainable Development
Faculty secretary	Anna Hansson
Contact Information	anehao@hig.se , 026-64 84 07

Registration for Written Exams

Registration for exams, including retakes, via the Student Portal is mandatory. You can register no earlier than five weeks before and no later than ten days before the exam. Please note that registrations will not be accepted beyond this time frame. If you are a distance study student and are unable to sit the exam on campus you can apply to sit the exam at another location. Applications must be submitted no later than three weeks prior to the exam. Contact your faculty for more information.

Course Evaluation

After completion of your course a web-based course evaluation questionnaire will be sent to your e-mail address. Your answers in the course evaluation are very valuable and your comments will help us improve and develop the course for the future. All students registered on the course will receive a course evaluation report with all answers compiled.

Good luck with your studies!

Best regards

Faculty of Engineering and Sustainable Development
