Get Started with Your Studies!

To get started with your studies please follow these three steps. More information at hig.se/newstudent

1 Collect Your Computer Account

You can collect your computer account at hig.se/computeraccount two weeks before the semester starts. Your computer account consists of a username and a password and gives you access to the University web services.

2 Register for your courses

You must be registered on the course to attend lectures and sit exams. You will lose your place on the course if you do not register in time. Please register for your course via the Student Portal:

studentportal.hig.se

Period for self-registration: August 21st – September 3rd

Are you conditionally admitted? [This is what applies to you](#)

3 Log in to Blackboard

The Blackboard platform is a web-based learning management system where you find your course material. You can access Blackboard the day after you register for your course. [Log in to Blackboard.](#)

Course	Advanced Digital Control Systems
Course code	EEA303
Application Code	18301
Faculty	Faculty of Engineering and Sustainable Development

Registration for Written Exams

Registration for exams, including retakes, via KronoX is mandatory. You can register no earlier than five weeks before and no later than ten days before the exam. Please note that registrations will not be accepted beyond this time frame. If you are a distance study student and are unable to sit the exam on campus you can apply to sit the exam at another location. Applications must be submitted no later than three weeks prior to the exam. Contact your faculty for more information.

Course Evaluation

After completion of your course a web-based course evaluation questionnaire will be sent to your e-mail address. Your answers in the course evaluation are very valuable and your comments will help us improve and develop the course for the future. All students registered on the course will receive a course evaluation report with all answers compiled.

Good luck with your studies.

Kind regards

Faculty of Engineering and Sustainable Development
